Thanks Stacy.

Attached are my Pb shark tank proposal rankings in the Excel template, and my final (revised) rankings justification narrative in the Word document also attached.

Let me know if any questions.

Hi, Valerie –

Ex. 5 Deliberative Process (DP)

Also attached is the excel file to rank the proposals. With so many rankings coming in from so many places, it is easiest to keep track of the rankings in the spreadsheet.

Please don't hesitate to reach out if other issues come up.

Take care,
Stacy

Because of your expertise, the IOAA would like you to review the shark tank proposals related to PFAS and Lead and rank the top 5 proposals in your area. Jennifer is looking for proposals that meet the administrators priorities.

Attached please find the Lead (first tab) and PFAS (second tab) shark tank proposals. There is also a single PDF of all the proposals for each topic. Your rankings are due to OPARM (Steve Silzer and I) on May 30th.

If you have questions, please contact me.
